MORNING MEETING ACTION ITEM

TO: DD/I

1. The Director asked the DD/I to have FBIS prepare promptly a wrap-up on reaction to the President's trip.
2. The Director asked the DD/I to have undertaken an analytical study on the impact on the whale population of Soviet whaling ships, ~~operating off our East Coast.~~ The Director noted receipt of information that the Soviet activity has reportedly greatly reduced the blue and sperm variety, leaving only humpbacks.

Action taken:

1. FBIS report will be ready for advance dissemination COB 6 August, with general dissemination the next day.
2. We will have a report on this matter by 11 August.
